

Ellen Sinreich*Green Edge, LLC*

Founded in 2007 by Ellen Sinreich, Green Edge, LLC is a Green Building consulting/law firm that provides strategic sustainability services to businesses and governmental entities. Ms. Sinreich has assembled a team with outstanding talent in the technical, financial, and legal environmental arenas, including LEED® Accredited Professionals, building construction experts, energy engineers, climate scientists, legal, financial and tax strategists, and real estate industry practitioners. This GOING GREEN resource bank is at your disposal—our network of strategic alliances, specialty contractors and green resources can become your network. We will partner with you at the enterprise, portfolio, and individual property levels to plan and implement sustainability strategies that are right for your organization.
